ABOUT OUR COMPANY

We're a distinctive wealth and investment management firm actively building enduring value for our clients. We actively manage your portfolio to ensure it remains appropriate for the ever-changing conditions in the global economy and financial markets. We have a well-defined investment process, which is fundamental to the service we provide.

This process creates a strong yet flexible framework for our investment professionals to work together, sharing ideas and challenging each other's views

It is constantly evolving and we continue to invest in the resources required to ensure it remains robust. We are into real estate arbitrage, gold mining and car accessories in delight to meet your essential investment needs.

We have a dedicated team for clients who want 100% ethical and sustainable investment management. We achieve results by harnessing our extensive investment research resources

Working Together To Deliver Growth To Your Investments.

■ Sources of income

Premix Capital is a leading investment provider to financial market professionals. Our technical strategies cover forex, binary options and crypto. Our market depth and knowledge are attributed to our acquired experience on trading floors of many banking institutions.

Our organisation exists purely to support the people we trade with – the world's more disadvantaged investors. We believe that investment, if organised and regulated properly, can lift the world's poor out of poverty. At Premix Capital, we push ourselves daily to a limit of breaking point while enjoying ourselves while making profits.

Premix Capital is an easy-to-understand tool that runs on innovative blockchain technology. This product improves the lives of hundreds of thousands of people around the world – that's what blockchain products should be like! GPS apps can work right on your smartphone, working 24/7 just for you!

As a financial institution, we are well aware that money management requires a transparent and trusting relationship between a client and a broker in the market. Therefore, we are always ready to provide our partners with any information they may be interested in. We always conduct our business openly, and our activities are absolutely legal
